

The four Committee Chair positions will need to be filled through an appointment process that must first begin with the collection of names of individuals who would like to assume these duties. The names would then be reviewed and the board would select a candidate. A list of interested parties was started tonight to fill these positions they are as follows:

Team Meals: Lyla Olafson  
                  Kallie Sweeney  
Communications: Rick Mengelkoch  
                  Glenn Olson (end zone camera)  
Fundraising: Jennifer Bomstad  
                  Trish Engnell  
                  Beth Olson  
Special Events:

There needs to be a sign-up list posted on the Grid Club website and a notice sent out via e-mail to inform anyone interested in helping.

Coach Lindquist then discussed some goals he would like to see established for the up coming year.

- Community involvement / support
- Promote sportsmanship and ethical behavior in our community
- Bolster our fundraising efforts

These will be addressed in detail at our next meeting.

It was mentioned that in conjunction with other individuals and organizations the Grid Club is involved with establishing a memorial scholarship fund in the name of Mark Evans. This will consist of a benefit concert with Steve Marcio performing as ELVIS and a silent auction to be held on March 1<sup>st</sup> at the SFHS Performing Arts Center. The group is looking for donations for the silent auction and anyone interested in donating should contact Rick Mengelkoch at 763-232-2907.

The Gridiron / Diamond Classic as it will be called is to be held on May 17<sup>th</sup> 2008 at The Ponds golf club in St. Francis. There will be organizational meetings coming in the next couple of weeks. Remember we will need plenty of volunteers. Carlo also mentioned that there will be a raffle for an ATV at this years tournament.

The Grid Club has received 500 coupon cards to be sold as a fundraiser item from our local Mansetti's restaurant. The method of selling was discussed and several ideas were given including having the high school players peddle them, selling them at the concession stand during games, possibly selling them at up coming wrestling events with the permission of the wrestling booster club and the possibility of selling them through the youth football program. The idea of adding it as part of the youth registration fee is to be explored.

Discussion of sponsoring a Super Bowl party at The Ponds restaurant with a buffet dinner took place. The possibility of alcohol related issues was a concern of many. The possibility of perhaps holding it at the high school was going to be explored.

The group discussed consistent meeting nights and it was decided that the second Sunday of each month would be established as the preferred night for monthly meetings. These meetings will be published in the Courier under the community meeting notices.

New business to be addressed at future meetings is to include:

- School Spirit
- Super Fan Program
- Youth events at every game
- Fundraising Goals
- Mentoring Program for in coming freshman
- Spring - player and parent meeting
- Summer weight training program

The next meeting will be held at the SFHS commons on Feb. 10<sup>th</sup> , 2008 at 7:00 PM

Meeting adjourned.
