Treasurer Report

IRS sent another letter saying we had to pay in 10 days. Coach contacted them and it was a miscommunication. We are working with them to resolve the tax issue. Checking balance is \$15,633.89 and is reconciled to 1-1-09. We need to file our 990 form by April. No expenses or income for this month. Pat and Doug are working on our possible Spirit wear online sales credit (there is some confusion on an invoice). Doug made the recommendation that Banquet and Concession money should be directly deposited into the bank.

Head Coaches Report

Schedule is almost finalized. Feb, 20-22 is the Glaizer clinic. Motion made and approved to pay \$500 to allow all Coaching staff & Youth coaches to go to this clinic. There is no news yet about staff cuts.
