Youth Report

Pat Trautman & Mark Aho presenting: (Mark) 3 2nd-3rd grade teams played in the metro Dome. Some little things but handled internally by Coaches. (Pat) We had a issue with parents manning the chain gang at a SF vs SF game. Parents were being foul mouthed, berating officials and coaching staff. Pat with help of head coach removed these parents from the gang. We suggested that Community Ed use a Parents code of conduct form next year and that a letter be sent to the offending parents from Diane & Mark Aho warning of the consequences of their behavior. Diane was going to ask for a Police presence at the SF games on the 14th to show parents we are taking this seriously.

Shelly Broman asked that all the Bead be returned.

Treasurer Report

Balance is \$25,092.00 \$15,000 is earmarked for Coaches Salaries and \$2000 for the Banquet. Income is still coming in from Gold card, Bead, Mansetties cards, Medtronics employee participation (thanks Carlo) and concessions.

Head Coaches Report

Coach had 2 bills for Doug (Sock/Shorts & Bus trip to Metro Dome). One varsity game left before playoffs. Playoffs are tentatively Oct. 21st 7pm at Coon Rapids. Coach is working on a possible 9th grade extra game against Anoka on the 24th. 9th and 10th grade are scheduled to return equipment Oct. 15th. Coach thanked Mark for answering the letter from the parent regarding the levy and the football program. He touched on the Negativity of fans at the games is effecting players, code of conduct need to be enforced at the games so that the players do not have to suffer!

Fundraising Report:

Get Airbeads and Mansettis cards in to Shelly Boman and Rick M. ASAP

Youth parents are helping out wonderfully with the youth field stand. 3 more events left. We grossed over \$3500 just at the homecoming selling over 1349 bottles of water-pop-Gatorade! Diane Minor donated Ice cream sandwiches and Carlo donated over 200 cookies! For next year we should try to get our pricing more even to simplify the need for change but still keep stuff affordable. We need more help next year. We will keep doing a signup list and presence at Youth signups to get more volunteers.
